The video “Become a Leader” shares tips you can use to be a leader. One of those tips is to be authentic, or “comfortable in your own skin.” Another way to say that is to be happy with who you are - inside and out!

Try This!
Make a mini poster. On each line, write a tip that reminds you about being a leader. (We started one for you.) Cut out your mini poster. Hang it where you will see it every day!
