

# Be Confident

The video "Be Confident" teaches you that having confidence can help you achieve your goals. A role model says, "Who you are is awesome! If you have that kind of confidence, then you can take over the world." That doesn't mean you'll really take over the world! But it does mean that if you believe in yourself, you can do amazing things.

## Try This!

Imagine that you're being interviewed for your favorite magazine. Read the interview questions. Then answer them to talk about what makes you awesome!
