

Visual Artists Use Pictures to Tell Stories!

The video "[Visual Arts Careers](#)" teaches you about the many different types of careers within the visual arts field. Practice using a picture or photo to tell a story, just like visual artists do by following the directions below.

Try This!

Paste a colorful picture or photo in the box. Make sure it includes people or animals. Then, answer the questions in full sentences to help your picture or photo tell a story.

1. Who took the photo? _____
2. Where was this photo taken? _____
3. Who is in this photo? _____
4. What is the subject doing? _____
5. What is the subject wearing? _____
6. When was this photo taken? _____
7. What probably happened just before this photo was taken? _____
8. What probably happened right after this photo was taken? _____
9. How does the photo make you feel? _____
10. Why does the photo make you feel this way? _____
