Career Girls Scavenger Hunt

Learn how to navigate the Career Girls website and the types of content available to help you succeed at school, in your personal life, and in your future career! There is tons of information right at your fingertips including career facts, role model videos, and even lessons to help you develop the skills that you will need to be successful. Let's learn how to find all this valuable information so you can put it to work!

Website Master

First, watch the Website Tour video to get an idea of the website layout. Then, use the Career Girls website to find as many answers to the questions below as you can. For each answer you find, fill in the associated box with the correct information. The more answers you find, the more points you collect! See if you can earn at least 30 points to achieve the title of "Website Master"!

Now, add up the number of points you earned! Each answer in the first column earns 5 points, each answer in the second column earns 4 points, and every answer in the final column earns 3 points.

My Total Points: _____

Did you earn at least 30 points
to become a "Website Master"? _____
