

She worked really hard on her project, but she didn't get the grade she hoped for.

My aunt and uncle are moving out of state.

She was hanging out with her friends at lunch but they wouldn't talk to her.

Her friends surprised her with a party on her birthday.

Someone's car broke down on the freeway.

The band concert is tomorrow and I'm playing a solo.

A loved one passed away.

My best friend's mom forgot to pick her up from school.

My mom lost her job.

My sister got a big promotion at work.

My parents blamed me for something my sister did.

She hurt her ankle when she was running the marathon and still pursued the finish line.

Someone pushed her in line.

A classmate was struggling in class on an assignment.

My family is moving from a small apartment to a big new house.

My best friend got the part that I wanted in the school play.

My friend looks sad today.

You found a \$10 bill under a classmate's desk.

I dropped my lunch tray in the cafeteria in front of everyone.

My mom's friend gave me a compliment.

At the grocery store, I have more than 10 items but the person behind me only has 2 things.

I got an A for the semester in geometry, my hardest subject.

Dad said we have a few more errands to run but I'm really hungry and I'm ready to go home.

My teacher broke her arm and is having trouble writing on the board.
