

# Importance of Work Ethic

The video "[Importance of Work Ethic](#)" discusses how having a strong work ethic helps you succeed no matter what you do. The best part is that you can start building your work ethic today!

## Try This!

Plan to hone your work ethic by picturing your success and thinking about how a strong work ethic will help you get there. Draw a picture of a future goal that you have such as getting hired for your dream job. Then answer the questions that follow to identify how having a strong work ethic will help you reach this dream.

## Work Ethic Success

Describe your drawing.

---

---

Having a strong work ethic might mean completing your homework, arriving to school and other appointments on time, and never giving up even when things get hard. How might these characteristics help you achieve your goal?

---

---

---

What could you start doing today to strengthen your work ethic?
