

# Strategic Thinking

The video "Strategic Thinking" discusses the importance of thinking strategically about your life and making smart choices. The role models provided tips on learning to think strategically and explained how they use strategic thinking in their lives.

## Try This!

Solving different types of puzzles is great practice for your brain to learn to think in many different ways. See if you can solve the picture puzzles, called rebus puzzles, below. The first one is done for you..

### Do You See It?
